

Dear Bentonville church family,

We look forward to getting back together soon and even finding out what that is going to look like in the near future. But IN THE MEANTIME...

The Tell the Story emphasis is designed to make it easy for you to share Christ with those in your home and beyond through your story of faith and His story of love as revealed in the New Testament. Right now, while we are home, distanced from one another, is an opportunity to prepare ourselves to be used by our Father perhaps in ways that we could never have foreseen.

Please accept this kit as our gift to you and your family to help you share your own story of faith. Included in this kit is a guide to help you understand this strategy, recipe cards that you and your spouse and children/teens can use to share your story, a fun beach ball activity to help learn certain aspects of the gospel that will help familiarize everyone with the story for the telling, and a Tell Your Story card that will walk you through developing your own story of faith.

God's blessing on you and your family as you accept the challenge to Tell the Story at home and beyond!
